

THANK YOU!

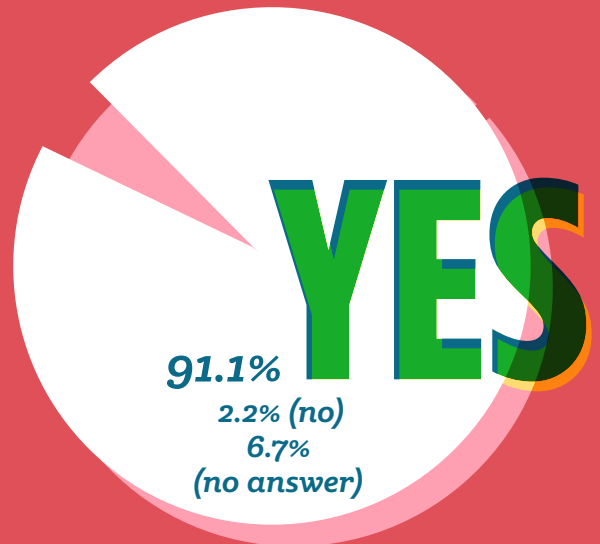

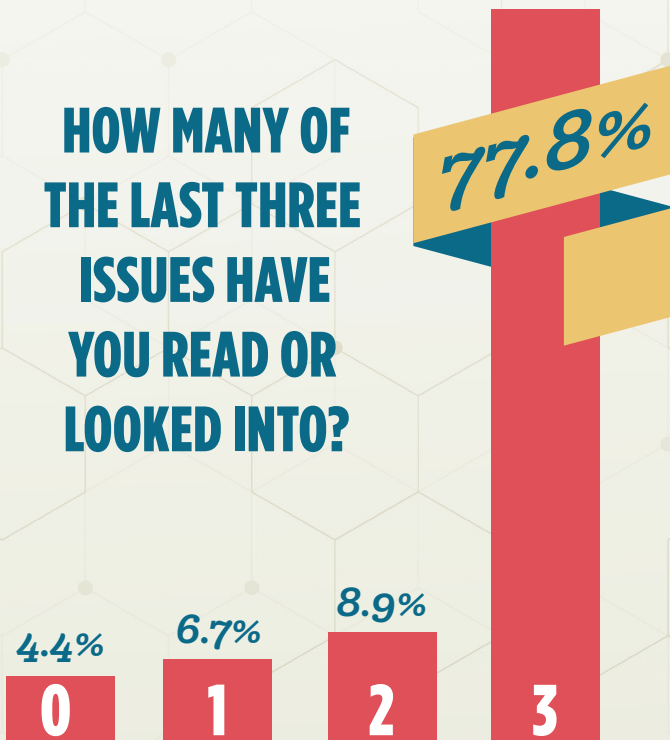

WE ARE VERY PROUD to be able to bring you *Unirea*, the magazine of the Romanian Diocese of St. George in Canton. And we are thrilled to hear that you are so happy with your magazine. Our publisher conducted a readership survey several months ago, asking a random sample of readers what they thought about *Unirea*. A summary of the results is presented in the graphic below. Please note that more than 82% of you have said that *Unirea* is interesting or very interesting. And most importantly, more than 85% of you find that it improves your understanding of the mission and teachings of the Church. Since the purpose of our magazine is to evangelize, this is a significant statistic!
